

MPCB Extension Handles

Features

- Panel door can be opened in ON position (Thermometry)
- Degree of protection: IP65 / NEMA 4X
- Shows circuit breaker position "I" (ON) or "0" (OFF)
- Adjustable shaft length
- To assemble the handle on the circuit breaker the shaft must have a length of at least 80mm
- Up to 3 pad locks can be used in OFF position. This blocks circuit breaker operation & opens panel door
- Handle can be mounted on panels with a thickness of 1-5mm.
